FOR RULES OF ENTRY SEE SPECIAL RULE IN SCHEDULE.

Points awarded for horse/rider placings

Rules for class 24.

The 1st round will be conducted under Table A against the clock with a time allowed. The 8 competitors with the least faults & time in the 1st round, or all clear rounds if there are more than 8, will be eligible to take part in the 2nd round (jump off) which will be conducted under Table A against the clock.

The 8 competitors eligible to take part in the 2nd round will start in reverse order of merit, the competitor with the most faults & slowest time going first & the competitor with the least fault in the fastest time going last. Competitors carry their faults forward from the 1st round & add them to any in the 2nd round.

The winner is the competitor with the least faults over the 2 rounds. In case of equality time in the 2nd round (jump off) will decide.

Those competitors not eligible for the jump off will be placed according to their faults & time in the 1st round

Day 4. Sunday . RING 2 OUTDOORS START at 9.30am prompt. .

entries should be sent in in advance of the show starting so
that the show secretary can input horses numbers etc***

QUALIFYING CRITERIA FOR HORSE OF THE YEAR SHOW INTERNATIONAL SHOW JUMPING CLASSES

ELIGIBILITY:

Riders already invited to compete at HOYS 2010 may compete in these classes but will be disregarded from the point's allocation table, although the prize money will be awarded.

Open to horses in Grade A. (as at 31st July 2010) to be ridden by Adult, Associate, Pony Associate and Visiting Members of British Showjumping

PLEASE NOTE: Whilst Associate and Pony Associate members may compete in the above classes and may qualify to compete in the International Competitions at The Horse of the Year Show, (HOYS) due to F.E.I. regulations, any competitor who will not attain the age of eighteen during the 2010 calendar year will not be eligible to compete in, the Leading Show Jumper of the Year (Grand Prix) at The Horse of the Year Show 2010.

Riders may not ride more than four horses in any one of each of the three qualifying competitions.

QUALIFIES FOR:

The International Competitions at The Horse of the Year Show 2010 **where each qualified rider will** be entitled to enter three horses plus one for the Puissance. The horse which gains qualification at the qualifier need not compete at The Horse of the Year Show. **Horses must be Grade A and hold a current F.E.I. passport**

NUMBERS TO QUALIFY:

The two riders achieving the highest aggregate of points **on one horse** from all three qualifying competitions at the qualifying show. In the case of equality for the first or second qualifying place, the **horse/rider combination** placed highest in the third qualifying competition will qualify. **Should there still be equality, then the horse/rider combination placed highest in the second qualifying competition will qualify.**

In the case that a rider who has qualified at **a Wild Card Show** is subsequently invited to attend the show as a result of an invitation being declined by one of the top ten ranked British riders, he/she will be replaced by the third placed rider at that qualifier.

A rider may only qualify once for the International Show Jumping classes at HOYS 2010 and in the event of double qualification the place will be offered to the next highest placed horse/rider combination at that qualifier.

Points towards qualification will be awarded to each rider/horse combination according to their placing in each of these three qualifying competitions at the qualifying show as follows:

The first placed rider/horse combination will receive 20 points, the second placed rider/horse combination will receive 19 points, the third placed rider/horse will receive 18 points and so on reducing by one point per placing until the twentieth rider who will receive one point.

In the case of equality for any one place, the total points from all the equal placings will equally be divided between those tying for those particular placings. Divided points will be rounded up or down as appropriate to one decimal point (i.e. 0.44 points would be rounded down to 0.4, 0.45 points would be rounded up to 0.5).

STABLING AT ROWALLAN
